Charlotte Public Schools

Title I Parent-School Compact 2026-27

Charlotte Project Success, and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the challenging State academic standards.

School Responsibilities

Charlotte Project Success will:

- Provide high-quality, research-based instruction in reading, mathematics, and other core subjects.
- Use Title I funding to employ highly effective instructional staff and provide targeted support for students who need extra help.
- Offer personalized and flexible learning opportunities, including small-group and individualized instruction.
- Implement project-based and standards-based learning, allowing students to demonstrate mastery through interdisciplinary projects.
- Regularly monitor student progress using assessments, project performance, and teacher observations to guide instruction.
- Maintain a supportive, safe, and engaging learning environment that encourages student growth and real-world application of skills.
- Communicate regularly with families about student progress, goals, and strategies to support learning at home.

Parent/Guardian Responsibilities

Parents/guardians will:

- Ensure their student attends school regularly and arrives on time.
- Support their student's learning at home by providing encouragement and a structured environment for completing assignments.
- Communicate with teachers and staff about questions, concerns, or updates regarding their student's progress.

- Attend conferences, meetings, or school events to stay informed about their student's academic growth.
- Encourage their student to take responsibility for their learning and participate actively in school projects and assignments.

Student Responsibilities

Students will:

- Attend school regularly, be on time, and come prepared to learn.
- Complete classwork, homework, and projects to the best of their ability.
- Participate actively in classes and project-based learning opportunities.
- Ask for help when they do not understand a concept or skill.
- Follow school rules and demonstrate respect for teachers, staff, and classmates.
- Take responsibility for their learning by setting goals, tracking progress, and reflecting on their growth.
- Use school resources, materials, and technology responsibly.
- Communicate with teachers and parents about their learning and progress.
